

Cape Lambert to Undertake On market Share Buy-Back

Australian resources and investment company, Cape Lambert Resources Limited (**ASX: CFE**) ("Cape Lambert" or "the Company") wishes to advise that, as part of a capital management program, it intends to implement an on market share buy-back (**On Market Buy-Back**).

The Board has determined to introduce the On Market Buy-Back for up to 10% of the Company's fully paid ordinary shares (**Shares**).

The On Market Buy-Back will comply with the provisions set out in the Corporations Act and the ASX Listing Rules and does not require shareholder approval.

Canaccord Genuity (Australia) Limited has been appointed by Cape Lambert to act as broker to the On Market Buy-Back. The earliest that the Company will be permitted to buy-back any Shares on market will be 2 January 2013.

Attached to this announcement is an Appendix 3C detailing Cape Lambert's intention to implement the On Market Buy-Back.

Commenting on the On Market Buy-Back, Cape Lambert Executive Chairman, Mr Tony Sage, said, "Cape Lambert retains significant cash and liquid assets and in recent months we have been presented with and reviewed a range of investment opportunities, however the board has determined that at the current share price, it is more prudent to undertake an on market buy-back rather than look to make investments outside of the Company."

Yours faithfully
Cape Lambert Resources Limited

Tony Sage
Executive Chairman

Cape Lambert is an Australian domiciled, mineral investment company. Its current investment portfolio is geographically diverse and consists of mineral assets and interests in mining and exploration companies.

The Company continues to focus on investment in early stage resource projects and companies, primarily in iron ore, copper and gold. Its "hands on" approach is geared to add value and position assets for development and/or sale.

The Board and management exhibit a strong track record of delivering shareholder value.
